www.achievementcenters.org

some highlights of our past year:

★ Although Lakewood has been our home on the west side for many years, we're excited about our move to a much larger facility in Westlake that allows us to better serve Cleveland's west side communities. Located on nine acres on Center Ridge Road, the building provides lots of room for growth and expansion of our west side services and programs. We are grateful for the cooperation and collaboration of the Cuyahoga County Board of Mental Retardation and Developmental Disabilities, which made this possible.

★ We're proud to report the Achievement Centers received a 4-Star Exceptional Rating from Charity Navigator, America's premier independent charity evaluator, meaning the agency demonstrates outstanding fiscal responsibility in providing services to children with disabilities and their families.

★ Our four major special events were again a critical part of our financial success. Beginning in August 2006, Blue Chip Blue Tee, our annual golf outing that is part of the Lexus Champions for Charity golf circuit, raised more than \$80,000. A crisp autumn evening in October was the setting for the 2006 Fall Festival that brought in nearly \$40,000 to support Camp Cheerful. In November our black-tie gala, Sparkle, Shimmer & Shine, honored Sandy Cutler, CEO of Eaton Corporation, and raised more than \$425,000 in one magical evening. And sunny June skies set the pace for the 17th Annual A Most Excellent Race, collecting more than \$88,000 for the agency. Your support of these events, along with the generosity of service organizations, foundations, corporations and individuals, is deeply appreciated.

★ Camp Cheerful celebrated its 60th year of providing premier recreational and camping experiences to children and adults of all abilities. Hundreds turned out for the festivities, which of course included birthday cake and candles!

★ A fully accessible high ropes challenge course was constructed at Camp Cheerful last spring thanks to generous funding from Darice/Pat Catan's Annual Charity Golf Outing, the FirstEnergy Foundation, Ford Motor Company and Rotary Club of Strongsville. The 50-foot high structure has two climbing walls and more than 35 ways to reach the top. Climbers then ride a 320-foot zip line down or are lowered by a rope pulley. Activities offer children and adults of all abilities the opportunity to experience new heights of adventure while gaining confidence, building relationships and having fun.

★ Our therapeutic riding program and facility was designated a Premier Accredited Center by the North American Riding for the Handicapped Association, one of only 10 in Ohio. Dedicated therapeutic riding volunteer, Claire List, was named a Most Treasured Volunteer by the Center for Community Solutions.

★ The Ohio Department of Jobs and Family Services awarded our Child Development Center with a 3-Star Step Up to Quality Award, the highest possible rating.

★ Regardless of age, living with a disability remains very challenging, so our family support services began offering counseling services for adults with special needs. These sessions give emotional support and help to identify practical solutions to difficult issues.

★ Kristine Snell, MSW, LISW, a social worker with our Family Support Services and a specialist in Early Childhood Mental Health, was honored with our annual staff award for her outstanding skills, leadership and dedication to the agency and community at large.

★ Achieve Consulting began its second year of successfully partnering with school districts and educators and providing resources needed to effectively help students with autism by offering several three- and five-day training workshops, as well as customized consultations.

★ The Cleveland Bridge Builders Class of 2007 partnered with the Achievement Centers for their Leadership Action Project and helped to create a Service and Resource Guide for families of children with special needs. The 50-page booklet, which is also on our Web site, provides a comprehensive evaluation of the resources available to help families with the direct financial costs of caring for a child with special needs.

2006-2007

Transportation	42,857	1%
Autism Consulting	196,967	3%
Total	6,529,810	100%

In Fiscal Year 2006-2007, many of the clients served by the Achievement Centers participated in or received two or more programs and services. Over the past year, the agency provided more than 5,800 programs and services to 3,190 individuals and their families. More than 65 percent of the individuals served in our non-camp programs were birth to age 5, and more than 60 percent came from low-income families.

Accreditation, Licensure and Partnerships

The Achievement Centers' programs and services are licensed and accredited by: The American Camp Association, North American Riding for the Handicapped Association Premier Accredited Center, Medicaid, Ohio Department of Education, Ohio Department of Health, Ohio Department of Jobs and Family Services, Ohio Department of Mental Retardation and Developmental Disabilities, Ohio Department of Mental Health, the Commission on Accreditation of Rehabilitation Facilities (CARF), and has numerous agreements with area universities and colleges. The Achievement Centers for Children is also proud to be a United Way agency.

Quality Assurance

The Achievement Centers utilizes the WeeFIM® System, a database that provides nationally aggregated program evaluation reports. These reports permit comparisons of client progress standardized to national benchmarks. The functional skills assessment is the tool used to evaluate the overall functioning of children receiving therapy services.
