Our mission is to enable and empower

ACHIEVEMENT CENTERS FOR CHILDREN

FOUNDED IN 1940 as the Society for Crippled Children, we now serve children and adults with a broad range of disabilities and special needs including autism, cerebral palsy, Down syndrome, and other physical, developmental, neurological and emotional challenges. Our unique, comprehensive service model weaves together education and autism services; therapy services and Intensive Therapy Clinic; recreation, camp and sports programs; and family support services to meet the needs of the entire family and provide the best outcomes. The agency serves children from birth through adulthood, with a special focus on children from birth through age five.

Over 2,550 children and adults from throughout Greater Cleveland and beyond received services last year at our three locations, as well as throughout the community in child care centers, schools and homes.

ACCREDITATION AND LICENSURE

The Achievement Centers’ programs and services are licensed and accredited by:
Commission on Accreditation of Rehabilitation Facilities (CARF), ADAMHS Board of Cuyahoga County, The American Camp Association, The Professional Association of Therapeutic Horsemanship International (PATH Intl.), Medicaid, Ohio Department of Jobs and Family Services, Ohio Department of Developmental Disabilities, Ohio Department of Education, Ohio Department of Mental Health and Addiction Services, and the Ohio Department of Health. The Achievement Centers earned a 4-star rating by Charity Navigator, the highest rating possible. The Achievement Centers for Children is proud to be a United Way partner agency.
Dear Friends,

Every child should have the opportunity to reach his or her greatest potential. At the Achievement Centers for Children, we truly mean every child, even those who face significant obstacles.

Our mission is to enable and empower children with disabilities and their families to grow, learn, play and prepare for lifelong achievement in society. At the Achievement Centers for Children, we focus on what a child can achieve, not on what might hold him or her back. We are humbled and inspired by the children we serve because they work hard to overcome what can seem like impossible challenges to experience extraordinary successes. With support from family, the passion and expertise of our staff, and the assistance and contributions of our volunteers, donors, and Board of Directors, our clients have the tools they need to live a life of achievement.

After celebrating 75 years of service last year, we have spent this year reexamining our mission and all the ways we work to fulfill it. The stories of the various children in this report will illustrate how we enable and empower those who come to us for services to meet their goals. Alexis has been able to grow, learn, and play at Camp Cheerful through therapeutic horseback riding, swimming, socializing with friends, gaining independence, and just having fun. Likewise, TayVon, as a student in our Autism School, has been able to learn from qualified and dedicated teachers, physical and occupational therapists, and aides in a setting that encourages his curiosity, speech, and comfort in the classroom. Through his work at the Achievement Centers, TayVon is being prepared for lifelong achievement in society.

Our circle of support here at the Achievement Centers for Children includes the teen playing for the Junior Wheelchair Cavaliers competing against teams in other states, and the newborn benefiting from the bonding and soothing techniques taught in our infant massage classes. It includes the child rewriting his prognosis by learning to stand and walk in intensive therapy, or the child learning to communicate with the help of innovative techniques and tools.

These successes are why we do what we do. We remain committed to looking at our clients and their needs in creative ways and using a multi-disciplinary approach to serving them.

As you will see in the following pages, we have experienced an exciting year of positive outcomes and possibilities, in part because of generous supporters like you. We thank you for your commitment to our mission, and our children and families!

Sincerely,

Sally Farwell, MEd
President and CEO

Julie Boland, Chair, Board of Directors and Sally Farwell, President & CEO
As an infant, Dallas required extensive medical care for hydrocephalus, cerebral palsy, and other complications. “At the time of his birth, no one could tell me what to expect for Dallas’ development. In his first year of life, it seemed that everyone outside of family wanted to do something medical with him, and he became afraid of new people” said his mother, Joy.

At two-and-a-half years old, Dallas started occupational therapy at the Achievement Centers. Soon physical therapy and speech therapy were added. His therapy team thought he could make even greater progress if he was better able to accept their guidance.

Social workers with our Early Childhood Mental Health (ECMH) and Accent programs joined Dallas’ care team. Our ECMH staff utilized dolls as a strategy to help Dallas engage in conversations with his therapists and build a higher level of trust in them. He happily became more engaged and motivated in his therapies. During his current therapy sessions, Joy meets with an Accent social worker to discuss any needs she may have including linking her to community resources and advocating alongside her at school IEP meetings. “The best thing I can do is just give him the greatest opportunities for success I can. Through working with the outstanding people at the Achievement Centers, we progressed further with Dallas’ physical, speech and cognitive development than I ever imagined.” said Joy.

Now four years old, Dallas and his mother consider his Achievement Centers’ care team their friends. Dallas is now able to stand and run, has an extensive vocabulary and an infectious laugh, enjoys jazz and gospel music, and is especially inquisitive about how things work. Joy knows their Achievement Centers’ care team will be beside her all the way on her journey with Dallas.

“Based on where we were, and how far we’ve come, I’m excited to see where we’ll go together!”

— Joy Phillips
Dallas showed measureable improvement in the areas of mobility and cognition according to WeeFIM®, a standardized instrument to measure pediatric functional independence.

100% of clients in our Early Childhood Mental Health (ECMH) program showed significant progress or met their goal at discharge.

**TOTAL NUMBER OF THERAPY SERVICES CLIENTS**

- Physical Therapy: 151
- Speech Therapy: 393
- Occupational Therapy: 265

RECREATION SERVICES

Last year, 639 children and adults enjoyed recreation programs ranging from day camp and adapted sports programs to our year-round Therapeutic Horsemanship program and River Rock Adult Day program.

11 gentle horses + 177 volunteers and staff × 4,937 horsemanship lessons = 145 happy equestrians

Clockwise from top left—Alexis with horse, Butter; with camp counselor, Lisa Freck; and below with camp counselor, Samantha Stringer.
Meet ten-year-old Alexis Gyory. She’d like to tell you all about playing at Camp Cheerful.

“I’m sweet and I love my dad and mom. I have a dog named Poncho. He’s a schnauzer and is black. The best things about Camp Cheerful are my counselors. I love all of them! They are nice to me, and I try hard to listen to them, but sometimes it’s hard. My favorite things to do at camp are swimming, going down the slides, playing games, and arts and crafts. I want to stay overnight at camp next year. I think it will be fun to sleep in the cabins. The beds are cool and sometimes they have campfires and dances at night. I also ride horses here every Monday. My favorite horse is Butter because she likes to trot and she listens to me, but she doesn’t always do what I tell her. I know how to stand up in the stirrups on the horse and ‘post.’ I think it’s good exercise for me.” —Alexis

Alexis’ father, Eric, added, “For Alexis, being an only child, camp is a great opportunity to get her out socializing with other kids, and it’s making her more independent.” Her mother, Annette, added, “Alexis makes sure we read the daily reports from camp, then she explains everything to us. For example, today, she had some trouble transitioning from one activity to another, but she was very welcoming and friendly to new children coming to camp. We love talking with her about her day. I think all the activities at camp have made her stronger physically and improved her social skills.”

When Alexis, who has Down syndrome, comes to Camp Cheerful, she is a typical child having a great time playing . . . and growing, learning, and preparing for lifelong achievement in society. To Alexis, she’s having a great summer at camp!

“What I like best about Camp Cheerful is I love it!” —Alexis
TavYon's mother, Carmel, watched as her two-and-one-half year old son's behavior changed before her eyes. The child that was starting to talk and sing his ABC's, started isolating himself, and stopped talking, engaging with people, and making eye contact. TavYon starting running from his mother, biting, spitting, and having tantrums for no apparent reason, sometimes lasting hours. Carmel, who is hearing impaired, faced even greater challenges and frustrations communicating with her son who was diagnosed with Autism Spectrum Disorder (ASD).

After having unsuccessful experiences with several child care centers and their local public school, TavYon started second grade at the Achievement Centers Autism School in Highland Hills. His mother saw a tremendous change in her son in a short period of time. He was finally toilet trained, started talking, responding, expressing his emotions, and his behavior began to improve.

Today, TavYon is 11 years old. He has developed into a very curious boy who loves to learn and memorize facts, especially animal facts. He loves anything electronic, and is a real perfectionist. Carmel appreciates the emotional support and strategies she receives from our classroom staff. Of most comfort to his mother, is seeing TavYon learning to read and be more independent. Carmel said, “I was always afraid—would he be able to be on his own? I want him to succeed and be independent. If he wants to go to college, or live by himself, I want him to be able to manage his life.”

“I want him to succeed and be independent.” —CARMEL

In September, TavYon will attend sixth grade in our Autism School in Westlake. In addition to academics, he will continue to learn daily life skills like how to make his own meals, and more pre-vocational skills such as basic assembly work for local businesses. With patience and understanding, TavYon will take more steps to independence and lifelong achievement in society.
Last year, over 600 children and young adults with autism were a part of our programs.

Last year, TavYon improved his receptive communication skills by 17% according to the Vineland Behavior Scales.

Top photo: Greg Ealy, Lead Teacher/Intervention Specialist with TavYon. Clockwise from left: TavYon learning simple pre-vocational work tasks; Pam Bacho, Teaching Assistant. Bottom photo: Greg Ealy; Felicia Baird, Speech-Language Pathologist; TavYon; Nancy Thome, Teaching Assistant
From 1940 when four Cleveland Rotarians opened the doors of the Achievement Centers for Children, then known as the Society for Crippled Children, to the present, our foundation has consisted of passionate, caring supporters. Dedicated contributors further our mission in so many ways: from children collecting coins at a lemonade stand to large corporate sponsors; from individual volunteers guiding riders on horseback to large groups of volunteers tackling construction projects at Camp Cheerful; from our committed, hardworking staff to the passionate guidance and expertise of our Board of Directors. We share a common community as advocates for our mission.

Members of our Board of Directors have always been our guiding light, embracing our mission on a personal level to make a difference with the clients and families we serve. They are generous supporters offering their expertise, experience, financial resources, and time. They play an active role in numerous ways such as coaching adapted football players, running a 5k race at our “A Most Excellent Race,” or inviting colleagues to our black tie event, “Sparkle, Shimmer and Shine.” They are enthusiastic advocates that encourage others to get involved. We could not have the impact we do for our families without the exceptional members of our Board of Directors.

We are so very grateful to our Board of Directors and all our supporters who give from their hearts to brighten the futures of children with disabilities and their families!

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has. —MARGARET MEAD

*Preliminary Audit Report

STRATEGIC OUTCOMES FOR 2015–2016

- Provided a total of 232,674 service hours to children, adults and their families.
- Provided approximately $1.2 million in subsidized services.
- Received a client satisfaction rate of 98 percent through family surveys received.
- Raised over $1.6 million in charitable support from the community.
- 96% of clients receiving services at the Achievement Centers for Children achieved or partially achieved their individualized goals, including improved functional skills (crawling, walking, talking), increased academic achievement, and improved social/emotional development (interacting with peers, managing stress, coping with a disability).

In Fiscal Year 2015–2016, many of the clients served by the Achievement Centers participated in or received multiple programs and services. Over the past year, the agency provided more than 5,900 programs and services to 2,552 individuals and their families.
Charity Navigator 4-Star Charity In 2016, we were awarded Charity Navigator’s highest rating for our strong financial health and commitment to accountability and transparency.

Special Events
Our four major special events held each year are generously supported by individuals and our business community. Together, through all our fundraising events, initiatives and appeals, donors contributed a total of more than $1.6 million, enabling us to provide many services regardless of a family’s ability to pay.

Sparkle, Shimmer and Shine, our annual formal gala held November 14, 2015, honored the agency’s rich 75-year history of improving the lives of children with disabilities and their families while looking forward to the future. Over 400 guests attended, raising more than $417,000.

Fall Festival at Camp Cheerful raised over $64,000 for recreation programs at Camp Cheerful while guests enjoyed an evening of dinner and dancing with other supporters.

Blue Chip Blue Tee golf tournament held at the prestigious Kirtland Country Club, raised over $88,000. Thank you to all our sponsors and golfers!

We appreciate all our sponsors and supporters of our special events and our many generous donors!

The Plain Dealer/Cleveland.com story “Dawn Johnson gives life to Alex, her adopted son” told the touching story of how a mother’s special connection with her adopted son (above), and her motivation to improve Alex’s strength, abilities, and overall health led her to physical and occupational therapies at the Achievement Centers. (Read about his remarkable achievements at Cleveland.com at http://bit.ly/2bCWqIv. Story and photo by Lynn Ischay/The Plain Dealer.)

26th Annual A Most Excellent Race Presented by Majestic Steel USA Over 650 people ran or walked a scenic route through Cleveland Heights raising more than $108,000 to benefit Camp Cheerful.
Cleveland Cavaliers Make Champion Donation!
The Cleveland Cavaliers donated a portion of ticket proceeds from NBA Finals Official Road Game Watch parties to the Achievement Centers! We are so grateful for their significant support! (photo A)

Staff Accolades
Milestones Professional Excellence Award was presented to Mary Beth Koss, Director of Education and Achieve Consulting at the 14th Annual Milestones Autism Spectrum Disorder Conference in June. Congratulations Mary Beth! (B)

Family Connections 2015 Carolyn Grossman Award was presented to Virginia Weiss, Coordinator of Mental Health, for demonstrating her commitment to strengthening and empowering families to provide a healthy, stable, and nurturing foundation for their children to develop and succeed.

Voices for Ohio’s Children Health Conference in Columbus A collaborative team of Achievement Centers’ therapists and the parent of a four-year-old boy with cerebral palsy presented a workshop, “Pathways to Progress: Family Centered Interdisciplinary Teamwork for Children with Multiple Special Needs,” at the May conference attended by teachers, physicians, parents and others caring for children.

Recreation and Sports
- Counselors for our summer camps included ten international students from England, New Zealand, Ireland, and Poland.
- Our Adapted Sports program, now in its sixth year, continues to grow. There were 159 athletes and 271 volunteers this year! (C)
- Our Therapeutic Horsemanship program honored four new “1,000 hour volunteers”: Debbie Newman, Joyce Zevchik, and Rachael Scolaro. (D) Not pictured: Paula O’Connor.
- Adults in our River Rock Adult Day program reached out to help others through social service projects this year including assembling bags for the 2016 Donate Life Transplant Games as Cleveland Sports Commission volunteers.

Therapy Services
Our customized home therapy exercise programs for our Intensive Therapy Clinic were improved by incorporating technology tools, visual guides, and animation. Families are finding the new easy-to-follow guides more helpful in directing their children to perform each exercise correctly, and achieve the greatest benefit in reaching their goals. In addition, these new tools allow our therapists to be more accessible to clients regardless of where they live.

Family Support Services
Our Social Emotional Learning (SEL) program for preschool children completed a successful second year in the Warrensville Heights Public School system. Program outcomes were outstanding: over 95% of students demonstrated significant improvement in social/emotional skills, reflecting improved peer interactions, and a decrease in aggressive and challenging behaviors.

Infant Massage Classes taught 37 parents and caregivers together with their babies the art of massage, and its calming and bonding benefits. One of our classes was featured in a segment on Channel 19 WOIO in November.

Autism School
Staff from our autism school volunteered to help guide coaches in our adapted sports program. We appreciate their special effort in making the athlete’s experience a positive one.

Through the Beck Center for the Arts Outreach Program, producer Cory Svette introduced our students to musical theater this year. They produced a special version of the “Lion King” to their thrilled families and friends in the audience.

We appreciate gifts at ALL levels and we also thank those individuals who support us through the Cleveland Metroparks, and by designating all or part of their United Way pledge to the Achievement Centers for Children and/or Camp Cheerful, which are not listed here.

ENDOWMENT GIFTS
The following are members of the Oak Tree Society and have provided support to the Achievement Centers for Children’s Endowment Fund through a planned or outright gift in the fiscal year 2015–2016.

Estate of Lillian R. Bily
Estate of Elise Carmosino
Estate of Beverly J. Harris

MONTHLY DONORS
Special thanks to these donors who make a recurring gift every month. Their steady giving makes a difference.

Thomas Adams
Michelle Burnett
Cheryl Dudas
Joseph Haddad
John and Marilou Messerly
Kelley and Brandon Stetter

COMMUNITY ACHIEVERS
We truly appreciate the following organizations that raised funds to benefit the Achievement Centers for Children.
