Dear Achievement Centers for Children,
Achievement Centers for Children

Our mission is to empower children and adults with disabilities and their families to achieve their greatest potential.

Founded in 1940 as the Society for Crippled Children, we now serve children and adults with a broad range of disabilities and special needs including autism, cerebral palsy, Down syndrome, and other physical, developmental, neurological and emotional challenges. Our unique, comprehensive service model weaves together education and autism services; therapy services and Intensive Therapy Clinic; recreation, camp and sports programs; and family support services to meet the needs of the entire family and provide the best outcomes. The agency serves children from birth through adulthood, with a special focus on children from birth through age five.

Over 2,500 children and adults from throughout Greater Cleveland and beyond received services last year at our three locations, as well as throughout the community in child care centers, schools and homes.

ACCREDITATION AND LICENSURE

The Achievement Centers’ programs and services are licensed and accredited by:

Commission on Accreditation of Rehabilitation Facilities (CARF), ADAMHS Board of Cuyahoga County, The American Camp Association, The Professional Association of Therapeutic Horsemanship International (PATH Intl.), Medicaid, Ohio Department of Jobs and Family Services, Ohio Department of Developmental Disabilities, Ohio Department of Education, Ohio Department of Mental Health and Addiction Services, and the Ohio Department of Health. The Achievement Centers earned a 4-star rating by Charity Navigator, the highest rating possible. The Achievement Centers for Children is proud to be a United Way partner agency.
Dear Friends,

Here at the Achievement Centers, we know how crucial hope is to success. For children with disabilities and their families, the road is often winding, and hope is necessary both to see what’s possible and to sustain the energy necessary for forward momentum when the path gets rough. For this reason, we work tirelessly to provide our clients with the hope they need to achieve their goals and meet their potential.

Many of the families we serve are on unexpected, unfamiliar and often difficult journeys. We partner with them, starting where they are, and provide them with the skills and supports necessary for achievement. Through our holistic approach to service provision, our innovative programs, and our refusal to stop trying, we partner with our families to achieve outcomes they may have felt or been told were impossible.

As you’ll see in this report, we are continuing to invest in the future of the agency and in each child or adult and their family. We refuse to stop seeking innovative solutions to difficult problems, and feel strongly that no child should be limited by their family’s financial circumstances. We couldn’t do this work without you. Community support—your support—is critical to our ability to provide our families with life-changing programs and services regardless of their ability to pay.

Thank you for your belief in our mission and our work. Thank you for your continued support. Thank you for maintaining hope and creating magic.

Sincerely,

Sally Farwell, MEd
President and CEO

Julie Boland
Chair, Board of Directors
hen you first meet Rachel, you immediately sense her contagiously warm and caring personality. Rachel excitedly calls Camp Cheerful her “second home.” She started coming to Camp Cheerful to ride horses in our Therapeutic Horsemanship program at age 16. Rachel has been hooked on horses and Camp Cheerful ever since, attending summer day camp and weekend respite camp through the years.

Now 27 years old, Rachel is part of our year-round River Rock Adult Day Program, where everyone calls her their friend. She especially enjoys swimming, arts and crafts, Jazzercise, band classes, cooking, and field trips such as going to the Great Lakes Science Center, the Cleveland Metroparks Zoo, and restaurants. More importantly, her personal goals and ambitions are nurtured by our day program staff, including her current passion, learning American Sign Language.

As a child, Rachel could not speak and used sign language until she began speaking at age five. Today, she’s driven to re-learn sign language to teach and communicate with a friend who cannot speak and does not know any signs. During the day, Kristie, our staff member assists Rachel in learning new signs. In the evening, Rachel researches new signs online to share with Kristie the next day. On Sundays, she is learning to participate using signs at her church during Mass. Rachel enhances the lives of those around her with her compassion and dedication to learning sign language.

Our staff at Camp Cheerful learns what interests each individual, then helps them to build on their abilities, adapt to challenges, and have fun in our unique outdoor environment. Rachel, together with her River Rock “family,” is learning useful skills that enhance her life by sharing her gifts of communication at Camp Cheerful and in our community.

We are walking hand-in-hand with her opening doors to her future opportunities.

Visit our website to learn more about Rachel, and her story of achievement in our Therapeutic Horsemanship Program.
I love Camp Cheerful.

Especially love learning sign language at Camp Cheerful, and teaching my friend so we can "talk" together.

—RACHEL
“Landon’s a cool kid. He especially loves learning about the weather—he’s our little weatherman.”

Dear Achievement Centers:
I would like to thank all for your hard work and dedication to my Landon. He has grown tremendously since he began here.

—SAHARA, Landon’s mother
Landon is a very inquisitive ten-year-old student in the Achievement Centers Autism School. He is very computer savvy, and is especially interested in science and technology. When he came to the Achievement Centers three years ago, he had frequent behavioral “meltdowns,” and had difficulty communicating. We are all very proud of the progress Landon has made in our Autism School for the past three years!

Landon is the second youngest in a family of seven children. As a baby, Landon’s parents noticed his far-away stares and that noises bothered him, but thought he was not a “content baby.” His mother, Sahara said, “Landon never looked at us like we were his parents. He’s always looked at us like we were strangers.” After receiving his diagnosis of autism and learning that Landon was hearing sounds louder than others, they started to better understand him.

“The Achievement Centers’ holistic approach is most beneficial for Landon and for our family. They know Landon so well, and take everything about him into account to help him reach his goals. Everyone from the receptionist, to his teachers, aids, therapists, and parent educator, are all experts and give their best as a team to help Landon, and our family,” said Sahara.

Though he still has some difficult days, he is better able to express himself, control his behavior, and is improving his level of patience. Not everything has to be “Landon’s way” anymore. By giving him tools to help him communicate, he focuses more on his school work and is very proud of his achievements.

Sahara said, “Landon’s a cool kid. He especially loves learning about the weather—he’s our little weatherman. He shares what he’s learned in yoga class at school with us, too. I tell everyone that Landon will be fine, thanks to his Achievement Centers’ Autism School team.”

Last year, over 600 children and young adults with autism spectrum disorder (ASD) were part of our programs. We specialize in early intervention services, providing tools and opportunities for children with autism to adapt to their particular challenges, and to grow in independence.
Courtney Foster, a Director at KPMG, joined our Associate Board at the recommendation of a colleague, and saw a video featured in The Plain Dealer/Cleveland.com about a boy named Joey who learned to walk in our Intensive Therapy Clinic. After watching the video, she said, “OK—sign me up. I want to be a part of helping children live the best lives they can. To me, the mission is easy to support.” That’s how it all started for Courtney six years ago. “I put myself in the shoes of the families and the children, and after I learned about what the agency does for everyone, I thought “that’s really a worthy cause.”

Under Courtney’s leadership as president, the membership on our Associate Board has not only grown to 47 young professionals, but their primary focus of the annual “A Most Excellent Race” has expanded. They now meet year-round for social “friend raising” events, and meetings include a variety of speakers that help them connect to our mission, as well as raising awareness and understanding of people with disabilities. “We wanted the more year-round commitment to help us stay more connected as a group, and to offer more ways to help the agency,” said Courtney.

Associate Board members play a very important role for the Achievement Centers by donating their time, expertise, connections, and financial support. Many members volunteer with our Adapted Sports or Therapeutic Horsemanship programs, while others are involved in various agency committees working with members of our Board of Directors. Courtney relayed that the growth in membership was through members “that were excited, passionate and dedicated who asked their friends and colleagues to join them.”

“Donating can be rewarding, but seeing the results is even more rewarding,” said Courtney.

Associate Board Lends a Helping Hand

For more information about our Associate Board, visit our website at www.achievementcenters.org/AB.
Camp Cheerful Milestones

1947  Through a three-way partnership between the Cleveland Rotary, the Society for Crippled Children (now known as the Achievement Centers for Children), and the Cleveland Metroparks, Camp Cheerful was established as the first residential camp in Ohio designed especially for those with disabilities.

1954  The Great Hall was constructed (top photo).

1985  After a successful $2 million Capital Campaign, renovations included a new bathhouse and pool.

2000  A specialized camp program for children with autism spectrum disorder began, and Camp Cheerful was approved as an environmental education site for school systems.

2003  A new horse barn and indoor riding arena was built, and the Therapeutic Horsemanship Program welcomed its first riders.

2007  The High Ropes Challenge Course, a custom-designed, fully accessible 50’ high activity structure was built.

2008  Camp Cheerful was designated as a Blue Ribbon Camp by the National Association of Special Education Teachers; one of only four camps in the nation.

2011  Our Adapted Sports Program began with a competitive junior wheelchair basketball team and adapted football league. Adapted soccer and baseball programs were added.

2013  The River Rock Adult Day Program began with a focus on enhancing the quality of life for adults with disabilities, and a new building, the Camp Cheerful Clubhouse, was constructed to house the growing program.

2016  Last year, 1,115 children and adults enjoyed recreation programs ranging from day camp and adapted sports programs to our year-round Therapeutic Horsemanship program and River Rock Adult Day program.

For 70 years, campers of all abilities have enjoyed traditional camp activities while making friends, gaining confidence and independence, and creating memories at Camp Cheerful.
North Coast Therapy Associates Acquisition
Last year, we acquired the established and well-respected North Coast Therapy Associates (NCTA) as a subsidiary of the Achievement Centers expanding our school-based occupational and physical therapy services.

CARF Accredition
We were once again awarded the highest level of accreditation based on their established standards, and our accreditation was extended to 2020.

Charity Navigator
We were proud to again earn a 4-star rating, Charity Navigator’s highest possible rating, indicating that our organization “adheres to sector best practices and executes its mission in a financially efficient way.” For more information, visit www.charitynavigator.org.

Smart Business 2016 Business Longevity Award
Acknowledging our long history, we were honored to be among 46 inaugural recipients of the award who “demonstrated the power of innovation and perseverance, as well as an innate ability to understand their respective customers and evolve to meet their needs.”

New Website and Agency Video
Thanks to a grant from the Cleveland Foundation, we have a new website and agency video. There are many new features, photos, videos, stories, and useful information along with upgraded security and functionality. Check out our new website and video: www.achievementcenters.org.

SPECIAL EVENTS/ FUND DEVELOPMENT
Our four major special events held each year are generously supported by individuals and our business community. Together, through all our fundraising events, initiatives and appeals, donors contributed a total of more than $1.75 million to further our mission.

Sparkle, Shimmer and Shine, our annual gala, was held November 12, 2016 and honored Richard J. Buonocore, managing partner of MAI Capital Management. Over 440 guests attended, raising nearly $500,000! (above)

A Most Excellent Race had over 700 participants and raised over $126,000 to benefit Camp Cheerful. Additions to this year’s event included a new scenic, single-loop 10K course.

Fall Festival Dinner and Silent Auction, a casual evening of dinner and dancing, raised $71,000 for recreation programs including Camp Cheerful.

Blue Chip Blue Tee, our annual golf tournament held at Kirtland Country Club, drove home over $74,000 to benefit the programs and services at the Achievement Centers.
MATCHING GIFTS
The number of employers and amount of matching charitable contributions increased last year with over $24,000 in additional donations.

STAFF ACCOLADES
Barb Obiaya, Director of Family Support Services, was presented a Professional Achievement Award from the Mandel School of Applied Social Services at Case Western Reserve University. She received this award for demonstrating professional career success and achievement.

FAMILY SUPPORT SERVICES
- Last year, we hosted a four-day training for Certified Infant Massage Educators attended by staff from agencies across the state.
- Our newest Social Emotional Learning Program (SEL), having completed three years in Warrensville Heights, has shown very positive results. According to the nationally recognized DECA assessment tool, by year end, 90% of students were no longer rated as having an area of social/emotional need. Thanks to funding from the Jennings Foundation, the program was expanded to Adlai Stevenson Elementary School in Cleveland.

EDUCATION AND AUTISM SCHOOL
- Our autism school teams are especially innovative in adapting lessons to help each student meet their academic, social, and behavioral goals. Last year, students in our Autism School eagerly learned about the scientific method and proudly completed science projects (photo a).
- Through our Technical Assistance Program, 72 child care centers, 24 Head Start Centers, and nine family home care providers received our services.
- Students in our Westlake Autism School worked on several community service projects last year including assembling treat bags for the West Side Catholic Center and birthday bags for Providence House.

THERAPY SERVICES
- Our therapy program welcomed nine student interns along with 15 students who shadowed and volunteered with our physical, occupational, and speech therapists. Students represented 12 universities around the country.

RECREATION AND SPORTS
- Our Therapeutic Horsemanship staff offered “Tricks of the Trade” classes to volunteers to work hands-on with the horses to gain a deeper understanding of horse behavior and instincts.
- We welcomed the largest group of returning counselors to Camp Cheerful this year—a total of 40, including international students from England, New Zealand, Ireland, and Poland.
- We set a record this year in the number of athletes and volunteers in our Adapted Sports program. 252 athletes were assisted by 283 volunteers! (b)

COMMUNITY ACHIEVERS AND VOLUNTEER GROUPS
Nineteen groups of “Community Achievers” supported our mission by holding fundraising events and other activities. We also had ten groups with 363 volunteers that lent a hand in many different ways from beautifying our landscaping to constructing buildings (c). Thank you!

We appreciate all our sponsors and supporters of our special events and our many generous donors!

Crews of volunteers from GE Lighting worked on many renovation projects at Camp Cheerful as part of their Global Community Day.

*Preliminary Audit Report

**STRATEGIC OUTCOMES FOR 2016–2017**
- Provided a total of 221,278 service hours to children, adults and their families.
- Provided approximately $1.2 million in subsidized services.
- Received a client satisfaction rate of 99 percent through family surveys received.
- Raised over $1.75 million in charitable support from the community.
- 95% of clients receiving services at the Achievement Centers for Children achieved or partially achieved their individualized goals, including improved functional skills (crawling, walking, talking), increased academic achievement, and improved social/emotional development (interacting with peers, managing stress, coping with a disability).

In Fiscal Year 2016–2017, many of the clients served by the Achievement Centers participated in or received multiple programs and services. Over the past year, the agency provided more than 5,700 programs and services to 2,516 individuals and their families.
Donors

The Achievement Centers for Children gratefully acknowledges the following donors for their financial contributions over $100 within the past fiscal year, July 1, 2016–June 30, 2017.

*Deceased

We appreciate gifts at ALL levels and we also thank those individuals who support us through the Cleveland Metroparks, and by designating all or part of their United Way pledge to the Achievement Centers for Children and/or Camp Cheerful, which are not listed here.

ENDOWMENT GIFTS

The following are members of the Oak Tree Society and have provided support to the Achievement Centers for Children’s Endowment Fund through a planned or outright gift in the fiscal year July 1, 2016–June 30, 2017.

Ingeborg S. Volk

MONTHLY DONORS

Special thanks to these donors who make a recurring gift every month. Their steady giving makes a difference.
