

Achievement Centers for Children

80th Anniversary Celebration Virtual Event

Commemorating 80 years of service to children and adults with disabilities and their families

Thursday, November 12 – Sunday, November 15, 2020

Founded in 1940 as The Society for Crippled Children, the Achievement Centers for Children is celebrating this significant 80 year milestone with a weekend full of fun activities that will culminate in a special online program on Sunday, November 15 from 7:00pm-8:00pm.

Our “80 hours for 80 years” will include:

- **Silent Auction**
- **Raffles**
- **Camp Cheerful Barnyard Bingo**
- **Parent and Client stories**
- **Special Entertainment**
- **Interactive family fun**
- **Agency updates**
- **An “80th Anniversary” cooking demonstration**
- **A “Toast to 80 Years” cocktail demonstration**
- **Agency and Program Video Tour**
- **Plus more surprises!**

The Achievement Centers for Children is not hosting our *Cheers to Camp Cheerful* event or our *Sparkle, Shimmer & Shine* gala this year, but instead we ask for your support of this upcoming virtual anniversary celebration. We expect our special extravaganza will raise significant funds that will be used to directly support our telehealth, remote and onsite programs and services.

Corporate support is needed more than ever as our program revenue has been disrupted and the need for services grows. There are several sponsorship levels to choose from and personalized recognition is available. A full schedule of events and activities will be provided. Join the fun and help us celebrate! For more information, call Katie Spring at 216-225-8834 or katie.spring@achievementctr.org.

Achievement Centers for Children

Our mission is to empower children and adults with disabilities and their families to achieve their greatest potential.

Founded in 1940 as the Society for Crippled Children, the Achievement Centers for Children serves children and adults with a broad range of disabilities and special needs including autism, cerebral palsy, Down syndrome, and other physical, developmental, neurological and emotional challenges. Our unique, comprehensive service model blends together education and autism services, family support, occupational, speech and physical therapies, and recreation, camp and sports programs to meet the needs of the entire family, and provide the best outcomes and achievements.

In FY 2019-2020, the Achievement Centers for Children provided services to over 1,700 individuals at our three locations (Highland Hills, Westlake, and Camp Cheerful in Strongsville), and in childcare centers, schools and homes throughout the community. Since March 2020, we have also provided many of our services via telehealth and through remote learning. Many of our programs are provided regardless of a family's ability to pay. Last year, this equated to over \$1.8 million in subsidized services, with 83% of every contributed dollar going directly to providing services to those most in need.

Camp Cheerful

Camp Cheerful, founded in 1947, is located on 52 beautifully wooded acres in the Mill Stream Run Reservation of the Cleveland Metroparks in Strongsville, Ohio. Campers participate in traditional summer camp activities, including hiking, swimming, fishing, canoeing, arts & crafts, nature study, games, campfire activities, and music and sports, in a safe and barrier-free environment. We are currently providing some virtual camp programming as well as several in-person camp and recreation experiences.

Achievement Centers' Camp Cheerful equals fun both in-person and virtually!
