Achievement Centers for Children

Staff Agency Weather or Emergency Closing Policy
Highland Hills/Westlake/Camp Cheerful

Achievement Centers for Children will remain open for snow or cold days.

There may be very cold or extreme snow days that we may be closed to clients. If that occurs we will use the iAlert system to communicate with those who ACC serves:

- WJW FOX 8 Cleveland
- WKYC Channel 3 (I-Alert)
- WEWS- Newschannel 5
- WOIO – Channel 19

When we are closed to clients, all 3 sites will open at 10am. Additionally, staff will have two options besides coming into the office to work. Both of these options require a supervisor's approval. If appropriate:

- Staff may be able to work from home
- Staff can take a vacation day

If there is a county wide emergency or a significant site specific issue, ACC will use the iAlert system and the Fox8 system to publicly broadcast an alert message.
